

## **CHEWING GUM POLICY**

Due to the significant gum damage experienced on both our new carpet throughout the school and the new basketball court surface, Student Leadership Academy has implemented a **“No Gum”** policy on campus.

We have clearly communicated this policy to students during the first week of school, and reminder notices have been posted throughout the hallways.

We ask that you take a moment to review this policy with your student to ensure they:

- Understand the new rule,
- Recognize the reasons behind its introduction, and
- Are aware of the consequences for violations.

### **Progressive Discipline for Violations**

- **1st Offense** – Detention
- **2nd Offense** – SAM (Student Accountability Module)
- **3rd Offense** – ISS (In-School Suspension)

Thank you for your cooperation and support in protecting our facilities while maintaining a clean and respectful learning environment for all students.
